Re: Docket No. 06-13 WC – Shane Forest Appeal

Dear Attorney Turner:

The Notice of Appeal of the Department of Environmental Services, Water Division ("DES") Administrative Order No. AO AD 06-035, dated August 16, 2006, was received by my office on September 14, 2006. This appeal has been assigned Docket No. 06-13 WC. Please refer to this docket number in all future correspondence relative to this appeal. I have forwarded the notice of appeal to the NH Water Council ("the Council"), which I expect will decide to accept or dismiss the appeal at its next regular business meeting, scheduled for October 11, 2006. This meeting is simply a regular Council business meeting, not a hearing; therefore your attendance is not required. If the Council accepts this appeal a Pre-hearing Conference will likely be scheduled and you will receive written notice of the same.

Please note that *any* document filed in conjunction with this appeal shall be filed by mailing or delivering the **original and 20 copies** of the document to the Council Appeals Clerk. Additionally, a copy of the document must be sent to all parties to the appeal and to any person who has a motion to intervene pending before the Council. Every document filed with the Council, and required to be served upon the parties to the appeal, shall be accompanied by a certificate of service, signed by the person making service, attesting to the method and date of service, and the persons served. Documents filed with, or issued by the Council relative to this appeal are available for viewing and printing via the internet at www.des.state.nh.us/legal/documents/appeals/

If you have any questions, please contact me at (603) 271-6072 or by e-mail at msclafani@des.state.nh.us

Sincerely,

COPY
Michael P. Scialfani,
Council Appeals Clerk
